

Crook County Middle School Fall Sports Activities Update

Normally CCMS would have a fall sports season in September and October. With COVID that opportunity isn't available. So instead we are putting together a series of week-long camps for EACH middle school sport in our school that will give student athletes a chance to get active and experience any sport they have an interest in trying.

ALL the middle school sports will rotate through a 1-week camp activity in the following schedule:

Week of 9/14 – Football

Week of 9/21 – Cross Country

Week of 9/28 – Track

Week of 10/5 – Volleyball

Week of 10/12 – Wrestling

Week of 10/19 – Girls' Basketball

Week of 10/26 – Boys' Basketball

Start times will range between 3:30 and 4:30 for 1.5 hours – depending on school hours and individual coach's decisions. We will post each camp's exact start time on our website and on the individual camp registration forms.

Athletes will need the following to be eligible for a camp:

(all forms will be available in the CCMS office OR on-line to print and return)

Registration Form – turned in ONE WEEK before the camp starts. ONE FORM FOR EACH CAMP AN ATHLETE PARTICIPATES IN.

Covid Athletics Waiver Form – turned into CCMS Office

A physical turned in to CCMS Office (physical form completed and signed by medical personnel) Good for 2 years.

Personal face covering and water bottle

All state required COVID safety guidelines will be followed.

ALL students (grades 6-8) are eligible for any of the camps and may attend multiple camps.

There will be NO COST for these camps.

Parents/guardians will be solely responsible for transportation to and from these activities. There will be no busing available.

Parents will be asked to remain in vehicles in parking lot when dropping off and picking up their children.

Additional camp details may come from coaches once a student has registered for a camp.

If you have additional questions, please feel free to contact the CCMS athletic director or athletic secretary.
