

Sports Announcement Update (5/7/21)

Sports Season #3 – Wrestling and Girls’ Basketball – May 10 – June 10

The last day to sign up for Wrestling and Girls’ Basketball will be Friday 5/14!

Wrestling practice begins on MONDAY 5/10 from 3:40 - 5:30 in the CCMS Wrestling Room

Girls Basketball practice begins on WEDNESDAY 5/12 from 3:40 – 5:30 starting in the CCMS Big Gym.

Our CURRENT Covid Risk Category has been upgraded to HIGH, which means that we can have indoor sports practices AND CONTESTS with up to 50 people in a gym or wrestling room.

We are planning then on having both basketball games and wrestling matches – starting the week of May 24th. Coaches for each sport will communicate out the specific dates of those contests and we will post them on this website and in our daily school announcements. Check back here for updates with the contests.

Please be aware that with the indoor capacity limitations under “High Risk” will be 50 in a gym therefore **no spectators can be allowed**. We will plan on livestreaming Home contests on the CCSD Youtube channel however.

Finally coaches for both Wrestling and Basketball will send out weekly information and updates via a Remind App. that will text information to your phone. They will send out information for signing up for that application. See your coach or contact the CCMS front office if you need assistance signing up for that application.
